BOYD NURSERY COMPANY

F. C. BOYD, Manager

McMinnville -:- Tennessee

TELEPHONE 170-R

Terms and Conditions

We offer usual terms to those of known responsibility. Where purchaser's credit responsibility is unknown to us cash is required before shipment or reference with time for proper investigation. Orders to be sent C. O. D. should be accompanied with one-fourth cash.

5% discount and free boxing and packing allowed where cash accompanies order. No charge for packing carload orders in bulk.

Important—Orders are always individually filled with fresh dug stock, graded liberally, with good root system.

Prices—All prices here are f. o. b. our nursery, packing at cost. Packing free if cash accompanies order. We will accept orders 25 of a variety at 100 rate; 250 of a variety at 1000 rate. The prices published in this list are subject to change without notice, and are made for immediate acceptance. They may be increased to cover any taxes upon sales. Bales and boxes charged at actual cost.

Consignment—No stock will be sold directly or indirectly on consignment.

Shipping—Customers are required to give definite instructions in regard to manner of shipping that they desire. We ship by express, freight or truck.

Inspection—A Certificate of Inspection accompanies each shipment.

Guaranty—We give no warranty express or implied, as to description, quality, productiveness or any other matter of any nursery stock or bulbs we sell, and we will not be in any way responsible for the crop. All stock is sold subject to crop losses through unavoidable causes.

Claims—All claims must be made immediately after receipt of stock. While we use every means at our command to secure prompt delivery we are not liable for delays in transit; our responsibility ends upon delivery in good order to transportation company. We shall be glad, however, to render all aid we can to remedy a loss.

Location—McMinnville is located in Middle Tennessee on N. C. & St. L. Railroad. It is on State Highways No. 55 and 56, and U. S. Highway No. 70, and the Broadway of America. Nurseries and office located three-fourths mile west of square, on Manchester Highway No. 55-A, just across the new Barren Fork River bridge.

Reference—Any bank or business house in McMinnville. The Commercial Agencies or any of the leading nurserymen in the United States.

*We are not in the
Japanese Beetle Zone*

A Word

To Our Friends and Customers

Here is our fall 1941 catalog. We want to express our appreciation for the orders given us in the past and we hope that we may have the pleasure of serving you on any of your requirements for the coming season.

Our facilities for handling orders are good; our organization is very capable. We cultivate a large acreage of good nursery land which is suitable for growing good plants. In our fields you will find growing the largest quantity of native plants in this section.

We can ship direct to your customers under your tags, and thus avoid delay in getting the stock to your customers in a fresh growing condition. Orders filled promptly.

We have some very nice stock to offer for the coming season, but from all indications sales are going to be unusually good and we suggest that you get your orders in as soon as possible while stock is available.

To our old, new and prospective customers, the BOYD NURSERY COMPANY wishes you a very successful and profitable season.

Cordially yours,

F. C. BOYD, Manager

Extracts from a Few of the Hundreds of Letters We Receive Each Season from Satisfied Customers

Georgia:

"We are pleased to advise that the shipment of Dogwood arrived this morning in very good condition and sincerely appreciate your prompt handling of this order. We were under the impression that your stocks were dug and stored in the heel bed and that you could make immediate shipment. You did, in so far as practical anyway, didn't you?"

"Thanking you again for the prompt service and with best wishes, we are," etc.

Virginia:

"Last fall I ordered from you 7,000 black walnut seedlings to be shipped to my farm. This stock was duly received and transplanted.

"I have just returned from an inspection of the farm, including the acreage transplanted with walnuts, and it is a pleasure to state to you that the acreage transplanted with your stock measures up to the highest expectations of the most optimistic forester, as this stock speaks for itself, and its foliage is particularly outstanding and noticeable when compared with two similar shipments received from other nurseries.

"I am merely writing this letter thinking it might be interesting for you to know the general favorable comments throughout the community in which your stock was transplanted."

Texas:

"Received the shipment in fine shape. Thanks for the extra shrubs. Will you please send me your new catalogue."

Tennessee:

"Answering yours of the 17th, the plants arrived yesterday and by noon today will all have been planted, as we had the holes already dug and fertilizer alongside, etc. May I say that they were exceedingly well packed and beautiful plants in every way, and you need not hesitate as a result of this and previous experience, to use me as a reference."

Indiana:

"We have just received the shipment of plants as per order No. 17159. The plants were in excellent condition. We appreciate the care with which the order was filled."

Texas:

"Am inclosing check to pay for plants received a day or two ago, and I thank you for your promptness in getting them out to us. They seem all right and reached us in good condition and we are selling them right along."

Kentucky:

"Please find enclosed my personal check for shrubs ordered. We are so pleased with all the shrubs and hope we can each year order more."

Collected Stock

Forest Tree Seedlings, Shrubs and Vines

WOODS GROWN PLANTS

Due to the shortage on nursery-grown material we are offering only a few items in the collected plants. Many of these items cannot be secured in nursery grown stock.

The stock offered below is not finished plants, but is woods grown, collected stock from the mountains and forests, suitable for transplanting. Woods grown or collected stock is not to be classed with nursery grown or cultivated plants. We seldom recommend Collected Stock, however, many of our customers advise us that with Collected Stock they have obtained satisfactory results. The prices are certainly attractive.

Evergreens

COLLECTED NATIVE—WOODS GROWN

The small evergreens are gathered on the mountains, and only on damp days when the weather is suitable. The small bare-root evergreens are puddled as gathered, packed light and shipped by express unless otherwise instructed. Orders will be booked subject to our ability to have them gathered. Do not expect them to all live and grow, some of them will die under the most favorable conditions.

Native Tree and Shrub Seeds

The following varieties of seeds are offered, subject to crop conditions. There is somewhat of a shortage in the seed crop this year, a complete failure in some varieties, so we are offering only a limited list. If interested in other varieties, please send us your want list and we will see what we can do for you.

We pay our collectors for seeds as they are delivered to us, therefore we prefer cash with order. Our terms are net 5% discount for cash with order, 30 days net.

We will appreciate your early orders so we may make shipments as the seed mature.
